

USE

Work trousers expandable.
Use multi-activities, outdoor hiking, ideal craftsmen and outdoor work.

ASSETS

- Very extensible
- Exceptional comfort
- Excellent resistance to abrasion.
- Increased durability without tension on the seams
- Absorption of moisture (up to 3x greater than cotton)
- Sizes: XS to 3XL

TECHNICAL CHARACTERISTICS

Gray Fabric Poly (65/35) 190g / m² provides excellent abrasion resistance.

- Black fabric 240g / m² (Nylon 21%, Rayon 76%, Spandex 3%)
- Weight M: 400g
- Nylon provides excellent abrasion resistance.
- The Rayon provides excellent moisture absorption (up to 3x higher than cotton)
- Spandex allows extensibility. The specific weave of the fabric allows an extensibility of 40%.
- Zones of extensibility at the buttocks, crotch and knees. Extensibility is 100%.
- Large pocket on the right thigh.
- Woven Pockets with Inverted Zip
- Enveloping back-bib
- Elasticated waist
