GUNNAR Optiks has teamed up with legendary Blizzard Entertainment™ to help you play longer with the new Heroes of the Storm™ computer gaming eyewear. One of the most anticipated games of the year, Heroes represents more than 20 years of Blizzard gaming history, settings, and iconic characters, all mashed up into an epic, off-the-wall team brawler. GUNNAR has captured this essence in two new styles, the Siege and the Strike, each with interchangeable temple sockets of your favorite Heroes of the Storm. Play harder and never be outgunned.

KEY FEATURES

- Adjustable silicone nose pads provide a customizable fit;
- Fastener free hinge design and high tensile steel construction create incredible durability;
- Gently curved temples provide necessary retention to keep eyewear in place;
- Ultra slim temples distribute headphone pressure to ensure headset compatibility;
- Interchangeable sockets create endless design and customization options;
- One piece front construction eliminates all welds, screws and other potential points of failure;
- Flexible temples conform and ergonomically fit a wide range of head and face shapes;
- Wide format lenses create a panoramic viewing field for high resolution viewing.
